Subject: Thank you for your comments on "Proposed Rulemaking: Additional RACT Requirements for Major Sources of NOx and VOCs for the 2015 Ozone NAAQS (#7-561)"

Thank you for the comments you submitted to the Environmental Quality Board (EQB) on Proposed Rulemaking: Additional RACT Requirements for Major Sources of NOx and VOCs for the 2015 Ozone NAAQS (#7-561).

Your comments are valuable to the EQB and will be included in the official record of public comments. At the conclusion of the public comment period (on 10/12/2021), the Department will prepare a comment/response document containing all comments received during the official public comment period. The comment/response document will be submitted to the EQB for consideration as part of the final rulemaking. You will receive notice where to access the final rulemaking online when it is submitted to the EQB. In addition, if you would like to receive a copy of the final rulemaking following the EQB's action, please contact me. The Department will provide the final rulemaking package to you when it is submitted to the Independent Regulatory Review Commission and the House and Senate Environmental Resources and Energy Committees.
